Name of your band or act _____

Number of performers _____

Brief description of your performance _____

Important Details: Each act gets 5 minutes of stage time—long enough for a short intro and one song or dance number. To keep the show moving and include as many acts as possible, you need to set up quickly. There will be a grand piano, four microphones on boom stands, and two quarter inch input DI boxes on stage, all mixed into the house sound system. No other audio equipment or requirements can be accommodated. The idea is to walk up, adjust mics, plug in a guitar or bass if necessary, and go!

Sounds challenging, but there will be a chance for a DRESS REHEARSAL the night before the talent show: 6 PM Friday November 9, 2018 at the Art Center, 3850 Doris Murphy Court, Occidental, CA 95465
